

Chargeable Garden Waste Service - Terms and Conditions

1. Service Description

1.1 The Garden Waste Green Bin subscription service ("the Service") is available to the customer ("the customer"), on payment to Leicester City Council ("the council") of the subscription, for a period of 12 months with 20 collections per subscription. The service year begins in March. Subject to the terms of this agreement, the Council will provide a 240 litre green bin, which will be emptied once in every period of two weeks. Only households are eligible for the service.

2. Payment

2.1 The payment for the service will be an annual charge for the first bin, additional bins will be charged per bin per annum.

2.2 The anniversary of the date that the first bin was first collected will be the customer's renewal date for all bins held or subsequently paid for by the household. The annual renewal charge will be calculated on the total number of garden waste bins registered to the customer's property, regardless of when additional bins were ordered.

2.3 Additional green bins are issued at the discretion of the Council's Waste Management Team.

2.4 Accepted methods of payment are by direct debit, or debit/credit card either through the Leicester City Council website at www.leicester.gov.uk/gardenwaste or by calling 0116 454 1002. Customers signed up to direct debit will be bound by the following terms of the direct debit guarantee: 'The Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits. If there are any changes to the amount, date or frequency of your Direct Debit, Leicester City Council will notify you at least 10 working days in advance of your account being debited or as otherwise agreed. If you request Leicester City Council to collect a payment, confirmation of the amount and date will be given to you at the time of the request. If an error is made in the payment of your Direct Debit by Leicester City Council or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society. If you receive a refund you are not entitled to, you must pay it back when Leicester City Council asks you to. You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify Leicester City Council.'

2.5 Customers can register throughout the year and the contract will cease on the anniversary of the date of the first collection. Subscriptions need to be renewed on an annual basis.

2.6 The council will guarantee that the price of the service to the customer is fixed for the rolling year from the date of application. However, the council will generally review its Service charge annually, but reserves the right to vary charges with reasonable notice at any time.

2.7 The current price of the service will be available at www.leicester.gov.uk/gardenwaste.

3. The Waste Containers

3.1 A wheeled 240 litre bin ("the bin") is provided for use by the customer, but remains the property of the Council. Only garden waste bins supplied by the Council will be emptied.

3.2 The customer is responsible for the general condition and cleaning of the bin whilst in their possession. The Council does not provide a bin cleaning service.
