Appendix A: Background and Legislative Framework

1. Background

1.1 Discretionary Housing Payments (DHP) were introduced on 2nd July 2001 provide further financial assistance for people who need help with their housing costs. This appendix sets out the policy, practice and procedure applying to awards of DHPs by the Council.

1.2 Detailed provision for the payment of DHPs is contained in The Discretionary Financial Assistance Regulations 2001 (SI 2001/1167) as amended. When deciding whether to award DHPs, the Council will take into account guidance issued by central government; the current guidance is The Discretionary Housing Payment Good Practice Guide Draft for 2016 issued by the Department for Work and Pensions in December 2016. This was issued because of the changes due to welfare reforms, in particular:

- The introduction of benefit cap
- The introduction of size criteria in social rented sector; and
- Reductions in local housing allowance
- The introduction of Universal Credit.

2. Finance and Monitoring

2.1 The Council is awarded an annual government contribution to make payments in addition to benefit entitlement. This is subject to an overall cash limit; any payments above the contribution have to be financed by the council. Any part of the contribution that remains unspent has to be returned to the DWP. The high volume of welfare reforms taking place has led to a significant increase in the amount of monies available

for DHP applications by the government. The budget in respect of this year is **£1,458,858**, and further government funding may be provided later in the year.

2.2 The Revenues & Benefits Service will undertake monitoring of the number, amount and period of DHP awards in relation to the available DHP budget. The purpose is to ensure the DHP budget has sufficient funds to meet demands on the DHP budget throughout the financial year.

2.3 The Revenues & Benefits Service will also monitor cases where a DHP request has been refused to ensure decisions are being made fairly and consistently. The Council is subject to the general equality duty.

2.4 This means that steps will be taken to monitor implementation of this policy to ensure no one is subject to disproportionate adverse treatment because they had a protected characteristic. The general equality duty requires that the Council has due regard to the need to:

- Remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic
- Take steps to meet the needs of persons who share relevant protected characteristic that are different from the needs of persons who do not share it
- Foster good relations.

2.5 The policy will be reviewed on a rolling three year programme or at such time or occurrence where a review is appropriate.

3. Legislative framework & equality monitoring arrangements

3.1 The Council has taken all relevant legislation into account when devising the Community Support Grant policy, including but not limited to:

1.4 Where the claimant is living in social housing and is subject to the Social Rented Sector Size Reduction the claimant will be expected to have found suitable alternative, cheaper accommodation, within a reasonable timeframe unless exceptional circumstances apply.

1.5 Where the claimant is subject to a high level of award such as but exclusively the Benefit Income Cap, DHP awards will typically be made for up to 26 weeks only, then a taper will apply gradually reducing the award over the following weeks, reducing to 10% in the final week of the award.

1.6 Reconsiderations and extensions of the award will typically only be made where the claimant can prove they have engaged with Citizens Advice LeicesterShire or another accredited social welfare advice provider to fully assess their personal and financial circumstances.

1.7 Where the claimant has been allocated a property in the private sector in order to meet the Authority's statutory obligations relating to homelessness, Housing Options may make a one off payment to cover a rent deposit and or a month rent in advance direct to a landlord to secure accommodation to meet its duty to house.

1.8 The rent deposit will be paid into the Rent Deposit Guarantee Scheme on behalf of the tenant.

1.9 If the City Council decides to award a DHP, it has discretion as to the amount of the award provided that the claimant's need for financial assistance arises in respect of a liability to pay his/her rent (or similar payments), the amount cannot be more than the claimant's weekly eligible rent.

1.10 The City Council may backdate an award of a DHP but only in respect of a period during which the claimant was entitled to housing benefit or universal credit for a period not usually exceeding 6 months from the date of the DHP claim or the date of claim if this is less than 6 months. In exceptional circumstances backdate may be considered for a longer period. Backdates cannot be awarded prior to the introduction of DHP on 2nd July 2001.

2. Ceasing payment

2.1 The City Council may cease making, or reduce the amount of, a DHP where:

- the decision to make the award was based in whole or in part on a misrepresentation;
- the claimant failed to disclose a material fact;
- the award was made as a result of an error; and/or
- the claimant failed to inform the City Council of a relevant change of circumstances.

2.2 If the City Council decides to cease making, or reduce the amount of, a DHP award, it will notify the claimant of this in writing, provide reasons for the decision and inform him/her of his/her right to request a review of the decision, the period within which that request must be made and to whom the review request must be made.
