

One thing I love about Leicester...

One of the things I love about Leicester is Leicester City Football Club. I have been here 37 years now and the City has adopted me as one of its own. Back in the 70's a lot of us used to travel out of town for a good night out but these days it's all here. The City has changed so much over the last 30 years and it is a great place for our young people to grow up. Once the regeneration has finished we will have a premiership City and then fingers crossed we'll get a Premiership Club to match it.
