

Greyfriars Conservation Area - Update to Addresses

November 2014

Following the recent adoption of the Greyfriars Conservation Area Appraisal (November 2014), there has been an extension to the boundary of the area previously known as 'Cathedral-Guildhall'. There are a number of addresses which were previously in the Market Street Conservation Area but now fall within the Greyfriars Conservation Area. The Market Street Conservation Area Appraisal will be revised in due course to reflect the new boundary as shown on the map of the Greyfriars Conservation Area below.
