

IAG services for schools - KS3

One-to-one interview

A full guidance interview for each Year 9 student to discuss KS4 options and career plans, to include an Action Plan and follow up for those that need it.

Clinic sessions

Quick one to one sessions targeted at particular times of the year or students' need eg. motivation, transition.

Raising aspirations

A series of workshops for Year 8 or 9 students designed to widen career horizons and raise aspirations. Students will be more confident and have clearer goals and increased motivation to learn and succeed.

Parents' evening

Personal adviser attendance at Year 9 parents or options evening to deliver information and advice. Delivered as an input to parents or via individual consultations.

INSET

Individually tailored careers information sessions to develop your staff's knowledge and understanding of apprenticeships, study programmes and internships.

Careers options session

A comprehensive overview of post 16 options including the local offer. Information on career progression from different options. For each Year 9 class.

Self-awareness/decision-making sessions

Workshops for each Year 9 class to raise awareness of strengths and weaknesses and decision-making techniques.
