**Shared Lives carer recruitment process – an overview**

**Pre Assessment meeting organised for Shared Lives worker to visit**

**Pre Assessment meeting**

Shared Lives worker completes an introductory meeting to complete a pre assessment.

This allows a chance to ask further questions and flag up potential issues or concerns.

Workers will then advise the potential carer if we can progress to next stage and will provide an information pack, including Application Form, Statement of Purpose, Roles and Responsibilities and current leaflets.

If Pre Assessment is satisfactory your Application Form needs to be returned within 14 days of the Pre Assessment meeting. A member of the team will acknowledge receipt of your application.

**Pre Assessment checks include:**

- DBS (formerly CRB) and Social Care check. References from; GP, mortgage lender or landlord, current employer, previous employers from a care setting, personal reference and health visitors or schools if children are in the home.

Please note - This can take several weeks

If all checks are satisfactory the assessment process can begin.
