We have 3 main hubs in the community -
in the City, Coalville & Loughborough.
We also have a dedicated young
person/young adult service.

We run a number of satellites across the county

We work in partnership with other agencies
to make sure that our service supports
individuals on their road to recovery.

We know that drug or alcohol misuse can affect
all aspects of people's lives. Our integrated
service with close community links offers support
for those at a time that's right for them.

Practical support

Everyone we support has a dedicated recovery worker, someone who will help individuals find their own path to recovery.

Turning Point peer mentors are people who have gone through their own recovery journey and are on hand to provide support to individuals as and when they need it most.

Your essential guide to our service

Turning Point has been running services for those with drug and alcohol issues for more than 50 years.

Our three main hubs in the City, Coalville & Loughborough ensures that access to support for those that need it most is as easy as possible.
