

Groups and parties

Schools, Youth and Corporate Groups

At the Tower we can accommodate schools, corporate groups and any others that want a climbing experience. Whether for a one-off session or regular weekly climbs, we are able to customise our sessions to your needs. All of our group sessions involve lots of team working.

The sessions can be based in the roped walls or the bouldering wall (non-roped) area or both, although we would usually recommend starting groups off in the roped wall to build up confidence.

For one-off groups we work on a ratio of one instructor to ten people. Pricing is as follows:

- £22 per instructor (60 minute session)
- £33 per instructor (90 minute session)

A fee is also payable per person:

Times	Under 18	Adults
Monday-Friday before 5pm	£3.80	£5.50
All other times	£5.50	£7.20

For example, a group of 26 school students during the daytime on a weekday for a 90 minute session would need three instructors costing £99. Then you would need to pay £3.80 per student, making a total of £197.80.

During these sessions we can work on a scheme called NICAS (National Indoor Climbing Award Scheme), which allows climbers to record their progress in a logbook and get certificates for each level they pass. The NICAS scheme can also be integrated into GCSE PE.

You may also be interested in our mobile climbing wall which means that we are able to bring the climbing sessions to your venue.
