

Leicester City Council Adult Social Care Strategic purpose and priorities

Our primary purpose in adult social care in Leicester is to:

- Enable self-support and independence
- Support and protect vulnerable people
- Promote individual wellbeing

Our six strategic priorities

1. We will protect adults with a social care need from harm and abuse
2. We will embed a strength-based model of support, to promote wellbeing, self-care and independence
3. We will improve the opportunities for those of working age to live independently in a home of their own and continue to reduce our reliance on the use of residential care
4. We will improve our offer to older people supporting more of them to remain at home and to continue to reduce our reliance on the use of residential care
5. We will continue the work with children's social care, education (SEN) and health partners to improve our support for young people and their families in transition into adulthood
6. We will improve the customer experience by increasing our understanding of the impact and benefit of what we do. We will use this knowledge to innovate and improve the way we work and commission services

The purpose of Adult Social Care is to protect and empower the most vulnerable people in Leicester
