Our equality and diversity charter

Leicester City Council is committed to equality of opportunity, elimination of discrimination and promotion of good relations between all people, regardless of age, disability, race, ethnic or national origin, sex, gender identity, religion or belief, sexual orientation, pregnancy or maternity, marital or civil partnership status.

We are proud of, and celebrate, our city’s diversity.

We recognise that people have differing needs.

When allocating resources we will be clear on how we have prioritised individual and community needs.

We will treat people with respect.

We will provide accessible information on our services, community activities and events we support.

We will aim to deliver services that are accessible and culturally appropriate to those using them.

When making important decisions about local public services we will engage with local residents and communities.

We will work with our employees to ensure that equality is embedded in the workplace.

We have developed an equality and diversity strategy which reflects this commitment.

If you are a member of the public who uses our services, you can find out more about our commitment to equality and diversity at leicester.gov.uk/equality
