Bullying

Bullying

Bullying is all too common in schools, online and even within friendship groups.

Bullying can happen anywhere and at any time and we want you to know that we will always listen to you and work with you to resolve the problem.

We work very closely with schools and the Police and we can assure you that any concerns you have will be taken seriously.

Don't suffer in silence, come and speak to us.

You can also find out more about bullying and how to get support on [the NSPCC website](#).

We do not tolerate bullying in any shape or form and we will challenge and take action if it happens in our youth sessions.
