

# Could this be for YOU?

**Have you sought help about domestic violence or sexual abuse from a local service?**

## **Come and have a voice!**

**Join our group to improve local responses**

### **What would I do?**

- Work with other service users
- Ask questions of service managers
- Give feedback from a service user perspective
- Shape current and future services

*“It was really enjoyable and I’m glad to be a part of it”*

*(Group member)*

### **What would I need?**

- The ability to work with others
- A fair outlook
- Some time to contribute
- A desire to see good local services
- To be in the right space, and for it to be the right time for where you are now in your life

*“A big thank you for letting me be part of this group. It does help us survivors be heard and help to improve services, which is fantastic!”*
