There might be more options than you think

If you live in Leicester city and you don't feel safe at home due to sexual or domestic violence or abuse, we can:

- Help secure your home
- Help you make a safety plan, understand your needs, and think through what might help
- Help you find somewhere safer to live temporarily
- For women: Accommodate you in a shared, safe, women-only refuge where specialist staff are on site
- For men: Help you find safe accommodation, and support you while you do so
- Help you find safe accommodation elsewhere if you are not safe in Leicester
- Help the person who is abusing you find somewhere else to stay, if that helps you, and they are committed to change.

What is 'domestic abuse'?

- controlling, coercive, threatening behaviour, violence or abuse
- between those aged 16 or over
- who are, or have been, intimate partners or family members.
