### LEICESTER CITY COUNCIL (LONDON ROAD, LEICESTER) (PELICAN CROSSINGS MODIFICATION), NOTICE 2020 (PCN-LR-02)

**NOTICE IS HEREBY GIVEN** that Leicester City Council (“The Council”), in exercise of its powers conferred by Sections 23 and 25 of the Road Traffic Regulation Act 1984 proposes to modify the exist side of the controlled areas for two of the Pelican Crossings on London Road.

The proposals are as follows: -

- **Crossing 1;** To modify the staggered Pelican Crossings on London Road, the centre of which is located approximately 34.5 metres north west of its junction with De Montfort Street.
- **Crossing 2;** To modify the staggered Pelican Crossing on London Road, the centre of which is located approximately 14 metres north west of its junction with Saxby Street.

Both Pelican Crossings are to have the exist side of the controlled areas (Zig Zags) shortened on both sides of the staggered crossing points. Crossing 1, will have the exist side of the zig zag area shortened to two zig zags. Crossing 2, the exist side of the zig zag areas will be shortened to four zig zags. This ensure that the controlled areas are consistent and fit in-line with the construction and layout of the road network, that now contains a cycle lane on both sides of the road. Extra markings within the cycle lanes will be removed to comply with updated guidance issued by the Department for Transport.

**OBJECTIONS** to the proposed changes should be sent to [ian.nash@leicester.gov.uk](mailto:ian.nash@leicester.gov.uk) or by post to Transport Strategy, Leicester City Council, City Hall, 115 Charles Street, Leicester, LE1 1FZ and mark for the attention of Ian Nash. Any objections stating grounds on which they are made and quoting ref. No. PCN-LR-02 (London Road – Crossings) must be received by Mr Nash by the **7<sup>th</sup>** day of **September 2020**.

**THIS NOTICE IS DATED THIS 17<sup>th</sup> DAY OF AUGUST 2020.**
