Knighton Neighbourhood Plan – Neighbourhood Forum

1. Purpose of Report

- 1.1 To seek approval of the proposed Knighton Neighbourhood Forum following public consultation.
- 1.2 Outline the next steps in the neighbourhood plan process.

2. Background

- 2.1 Neighbourhood Plans give communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. They provide a set of tools for local people to ensure that they get the right types of development for their community where the ambition of the neighbourhood is aligned with the strategic aims (e.g. housing and employment) identified in approved local plan documents i.e. Adopted Core Strategy and saved Local Plan policies.
- 2.2 Following discussions between the City Council and Knighton community members, public consultation for a proposed boundary ran for a period of 7 weeks, from 3rd September to 15th October 2015. The purpose of the consultation was to seek comments on the proposed neighbourhood boundary from the local community. This was approved under delegated powers in March 2016 (**See Appendix 1**).
- 2.3 The Local Planning Authority makes decisions at key stages of the process. This includes approving the neighbourhood boundary and forum and organising the independent examination and the community referendum that is held at the end of the process.

3. Knighton Neighbourhood Forum

- 3.1. The proposed 'Knighton Neighbourhood Forum' is in the early stages of preparing a Neighbourhood Plan. They are seeking approval from the City

Council on the makeup of the Knighton Neighbourhood Forum so they can formally start to prepare the proposed Knighton Neighbourhood Plan.

- 3.2. Approval of the Knighton Neighbourhood Forum will also allow the group to access funding from Government to help prepare the plan.
- 3.3. The forum is a group of at least 21 local residents, business people & councillors, who will be responsible for delivery of the proposed Knighton Neighbourhood Plan. The names of the potential forum members and a copy of the groups constitution is included in **Appendix 2** and was consulted on between 24th May 2016 to 5th July 2016.
- 3.4 A total of three responses were received following public consultation. A summary of representations received is contained in **Appendix 3**.
- 3.5 Of the three responses received two supported the forum and one objected although none of the three representations were directly about either the constitution nor proposed membership of the forum. Therefore, they are not directly relevant to this consultation exercise.

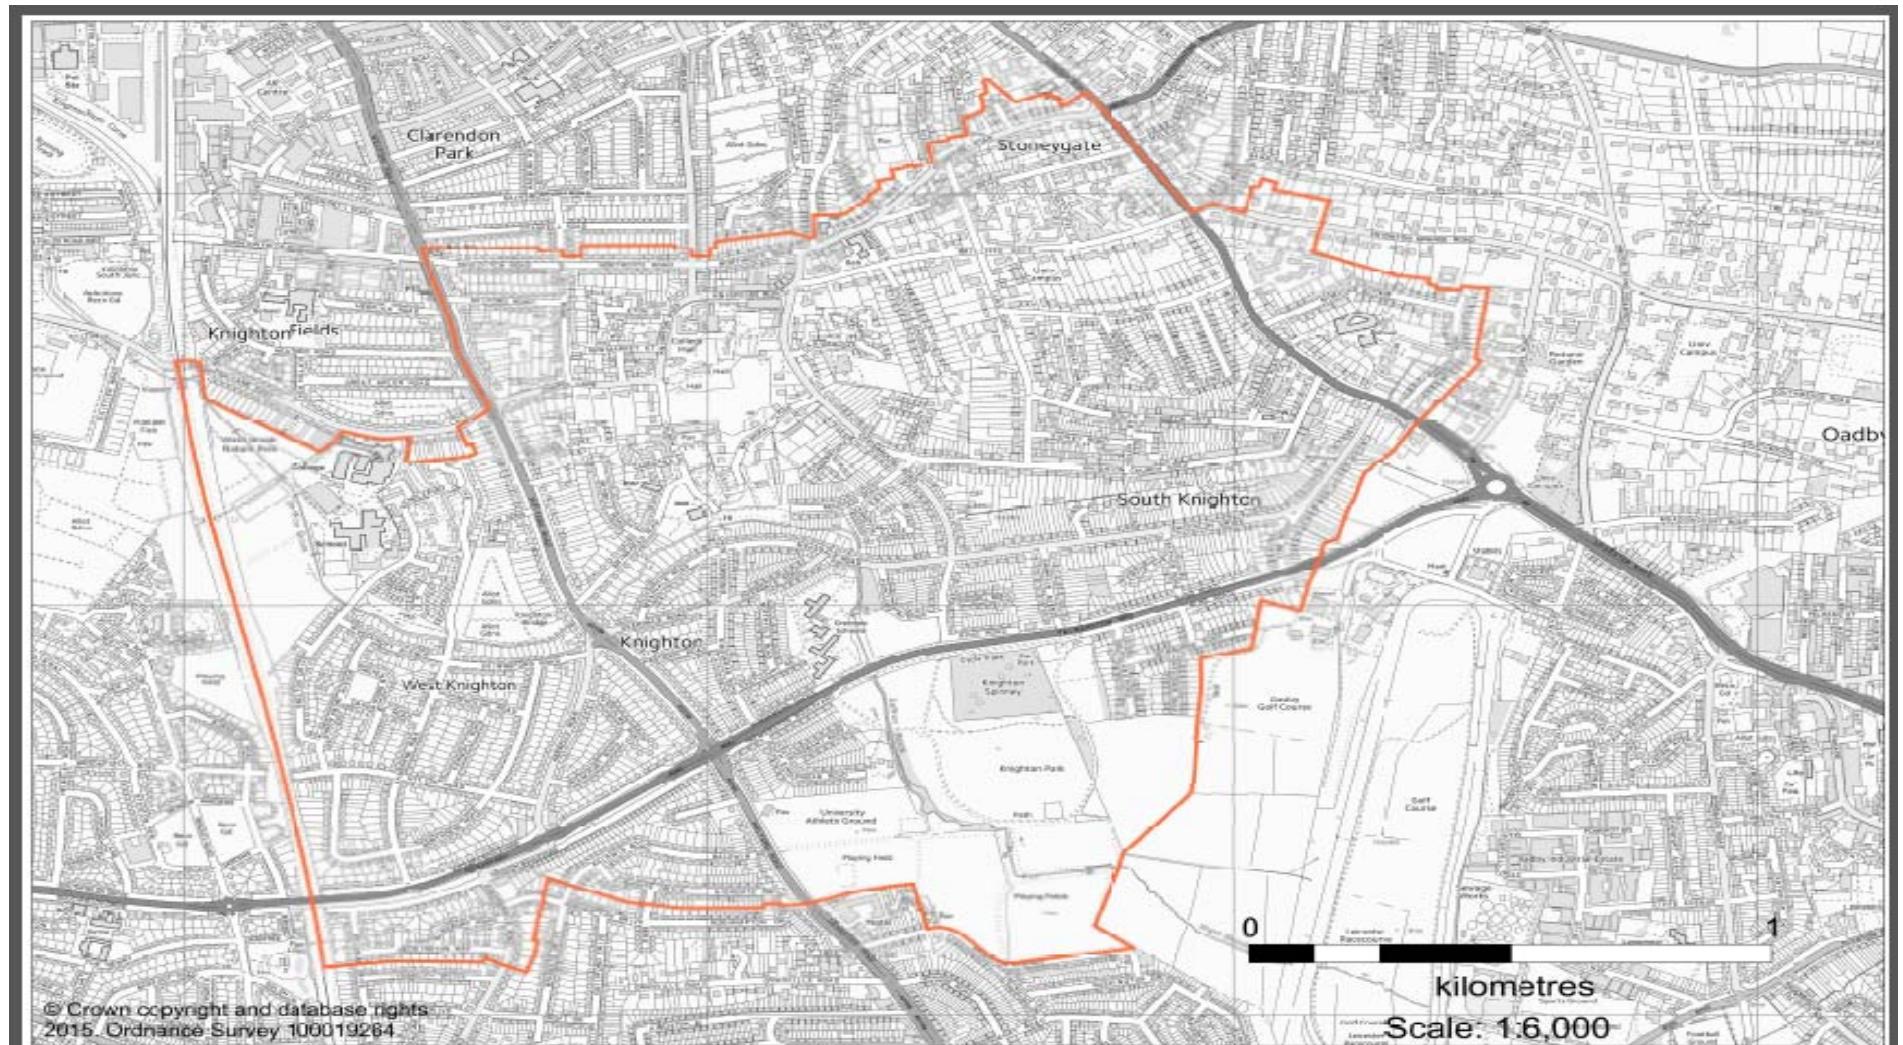

4.0 Next Stages

- 4.1 If the forum is approved, the City Council issues a notice of adoption which will comprise a signed report and appendices.
- 4.2 The forum will formally commence the process of preparing a neighbourhood plan for Knighton and will have authority to apply for grants from Government/Locality to support plan preparation.

5.0 Recommendation

- 5.1 That the Knighton Neighbourhood Forum is approved and the next stages of the neighbourhood plan noted.

Application for the Designation Of a Neighbourhood Forum (Regulation 8)

General advice

When considering neighbourhood planning you need to be clear about what you are trying to achieve for your area. In particular are neighbourhood development plans the best means to achieve your vision for the community?

The Forum must be representative of the designated Neighbourhood Area. It is crucial that all interests are represented as this will increase likelihood of success at the Referendum.

Whilst some support is available the most energy, time and resource that is put into developing a Plan is from the community. From start to finish the average plan takes between 18 months to 2 years.

We strongly recommend that you read the guidance on the [Neighbourhood Planning](#) pages on the LCC website, and utilise independent advice from [Locality](#) - the government appointed partnership to assist communities.

Before you return this form to the Council please ensure you have submitted all necessary information.

Appendix 3 – Summary of Received Representations

CONSULTATION ON THE KNIGHTON NEIGHBOURHOOD FORUM

Summary of Received Representations

Leicester City Council received a total of 3 responses during the consultation period, running from 24th May 2016 to 5th July 2016.

The following representations were received: -

In favour

- I support the proposed Knighton Neighbourhood forum
- I support the neighbourhood forum as I believe that neighbourhoods thrive best when their futures are properly planned and directed by the citizens that live and work there.

Against

- I don't support the neighbourhood forum because I think that the boundary ought to include all the properties in Knighton. The proposed boundaries exclude Stanfell Road and the half of Gainsborough Road that lies within the Knighton ward.
