

# **LCC Household Support Fund 2022/23**

## **1. What is the Household Support Fund (HSF)?**

1.1 This is a national scheme administered by the Council to support Leicester residents most in need with food, energy (including heating, cooking and lighting) and water bills. It can also be used to support households with essential costs related to those items (cookers, fridge freezers, microwaves and washing machines). In exceptional cases of genuine emergency, it can additionally be used to support housing costs where existing housing support schemes do not meet this exceptional need (the Scheme).

1.2 The Scheme is part of a wider support package for families, children and pensioners including the Holiday Activities & Food Programme (HAF Programme), and will run from 1<sup>st</sup> April 2022 to 30<sup>th</sup> September 2022, subject to budgetary restrictions outlined below in section 3. Referrals and applications will be accepted from 9<sup>th</sup> May 2022 to 4<sup>th</sup> September 2022 subject to any suspensions as notified on the council's website to allow the Council to manage application demand so that it is able to ensure it has sufficient capacity to undertake timely processing of applications received.

1.3 This document (the Policy) sets out the local eligibility framework and the Council's approach in administering the Scheme. The Policy is subject to change and should any amendments or additions be made; the updated Policy will be republished. Any referrals received the day following any published amendments will be assessed in accordance with that updated Policy.

## **2. What is the aim of the Scheme?**

2.1 The aim of the Scheme is to support those most in need with significantly rising living costs. This covers a wide range of vulnerable households including those with children, pensioners and other adults without children.

2.2 The Policy, in line with the guidance published by the DWP, seeks to make grant awards for all residents in respect of whom a valid referral is made during the operation of the Scheme and the full eligibility criteria outlined in section 4.1 below is satisfied, subject to the conditions contained within the Policy.

### **3. What are the main features of the Scheme?**

3.1 Grant awards will be made from a limited budget allocation from Central Government of **£3,429,353.16** (“the Funding”), though the budget will also be utilised to cover the cost of administering the Scheme, meaning funding for distribution will be reduced accordingly. The Council will not be able to make further awards once the Government grant has been spent.

3.2 The Government grant conditions (“Conditions”) require that:

- at least 33.33% of the Funding will be ring-fenced to support households with children,
- At least 33.33% of the Funding is allocated to support households that include a person who has reached state pension age by 30<sup>th</sup> September 2022 (but does not include any children), and
- Up to 33.33% of the Funding may be used to assist other households.

3.3 A “child” is defined as either:

- A person who will be under the age of 19 as at 30<sup>th</sup> September 2022, or
- A person aged 19 or over in respect of whom a child-related benefit is paid or free school meals are provided during the Grant Period.

3.4 The Conditions set out the following categories of eligible expenditure:

- Food;
- Energy for the purpose of domestic heating, cooking or lighting,
- Water bills including for drinking, washing, cooking, and sanitary purposes and sewerage;
- Essentials linked to energy and water;
- Wider essentials not linked to energy and water;

- Housing Costs subject to 3.5 to 3.9 below.

3.4 The Fund can only be used to support Housing Costs in exceptional cases of genuine emergency where existing housing support schemes do not meet this exceptional need. Where eligible, ongoing housing support for rent must be provided through the housing cost element of Universal Credit (UC) and Housing Benefit (HB) rather than the Household Support Fund. In addition, eligibility for Discretionary Housing Payments (DHPs) must first be considered before emergency housing support is offered through the Household Support Fund. The Authority must also first consider whether the claimant is at statutory risk of homelessness and therefore owed a duty of support through the Homelessness Prevention Grant (HPG).

3.5 In exceptional cases of genuine emergency, households in receipt of HB, UC, or DHPs can still receive housing cost support through the Household Support Fund if it is deemed necessary by the Authority. However, the Fund should not be used to provide housing support on an ongoing basis or to support unsustainable tenancies.

3.6 Individuals in receipt of some other form of housing support could still qualify for the other elements of the Household Support Fund, such as food, energy, water, essentials linked to energy and water and wider essentials.

3.7 The Fund cannot be used to provide mortgage support, though homeowners could still qualify for the other elements of the Fund (such as food, energy, water, essentials linked to energy and water and wider essentials). Where a homeowner is having difficulty with their mortgage payments, they should contact their lender as soon as possible to discuss their circumstances as lenders will have a set procedure to assist.

3.8 The Fund can exceptionally and in genuine emergency be used to provide support for historic rent arrears built up prior to an existing benefit claim for households already in receipt of Universal Credit and Housing Benefit. This is because these arrears are excluded from the criteria for Discretionary Housing Payments. However, support with rent arrears is not the primary intent of the fund and should not be the focus of spend.

3.9 Subject to meeting the eligibility as contained in this Policy, successful claimants will receive a grant award. The nature of the grant to be given is at the discretion of the Council. Consideration will be given to the referral request and available information regarding the household's circumstances. Where a claimant is successful the following awards may be made:

- For all award types, a single award covering the grant period - repeat referrals will not be accepted.
- Referrals for white goods will not be accepted if a claimant household has already received that item from a Council discretionary scheme within the previous twelve months.
- Only one claimant in each household will be considered to be eligible for the Scheme.

3.10 Referrals will be accepted from 9<sup>th</sup> May 2022 until 4<sup>th</sup> September 2022. Grant awards will take the form of vouchers, credit or item delivery in respect of one or more items of the award as detailed below, the form of which will be at the discretion of the Council taking into account the claimant's circumstances and the resources at the Council's disposal.

3.11 Eligibility is assessed as per household, taking into account household composition. A household is defined as the lead claimant, their partner, spouse or civil partner if they have one, any other adults living in the property, and any dependent children. Where energy costs are required, the lead claimant should wherever possible be the individual named on the bill.

3.12 All grant awards must be distributed by no later than 4<sup>th</sup> September 2022. Applications submitted after this date will not be considered. Any awards made prior to this date which have resulted in the issue of any e-vouchers will continue to be valid for use up to the 30<sup>th</sup> September 2022, after which they will expire.

#### **4. Am I eligible for support?**

4.1 In order to be eligible for a grant award, a lead claimant in respect of a claimant household must meet the following criteria:

- be resident within Leicester, unless a household member is a foster carer for a child previously under the Council's care; and
- be aged sixteen years or more; and
- be on a low income<sup>1</sup>; and
- be experiencing financial hardship<sup>2</sup>. or
- be considered financially vulnerable (see Appendix 1);

4.2 A claimant household consisting only of persons without recourse to public funds<sup>3</sup> will not be eligible for a grant award. The only exception in which such a household will be considered is where there is a genuine care need that does not arise solely from destitution leading to a statutory duty for the Council:

- there are community care needs, and/or;
- they have serious health problems, and/or;
- there is a risk to a child's wellbeing.

Households that meet the criteria are known to the Council's Persons from Abroad Team.

The decision notice will set out:

Such a request should be made in writing to [household-support-fund@leicester.gov.uk](mailto:household-support-fund@leicester.gov.uk).

9.2 The review will be conducted by an officer who was not involved in the original decision.

## **Appendix: Background and Legislative Framework**

### **1. Finance and Monitoring**

1.1 The Council will operate the scheme under Government guidelines. Grant awards are limited by government grant and cannot be increased.

1.2 The Council will undertake monitoring of the number and amount of grant awards in relation to the available relevant budget. The purpose is to ensure the grant awards budget has sufficient funds to meet demand throughout the period of the scheme.

1.4 The Council will also monitor cases where a grant referral has been refused to ensure decisions are being made fairly and consistently. The Council is subject to the general equality duty.

1.5 This means that steps will be taken to monitor implementation of this policy to ensure no one is subject to disproportionate adverse treatment because they had a

protected characteristic. The general equality duty requires that the Council has due regard to the need to:

- Remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic
- Take steps to meet the needs of persons who share relevant protected characteristic that are different from the needs of persons who do not share it
- Foster good relations.

## **2. Legislative framework & equality monitoring arrangements**

2.1 The Council may use any evidence and information supplied to it in respect of the Scheme to check the eligibility of the applicant in respect of this scheme or any other welfare benefit, discounts or exemptions in compliance with its powers and obligations under Data Protection Act 2018 and other legislation. Our data sharing and fair processing detail can be found at the following web link: <http://www.leicester.gov.uk/your-council-services/council-and-democracy/key-documents/internet-disclaimer/>

## **3. Definition of financial vulnerability to determine eligibility**

3.1 The scheme is intended to support households who are financially vulnerable, having no or limited financial resilience and would be likely to present as:

- A working or benefit household on a low income, particularly those with a recent reduction in entitlement due to legislative changes, struggling to pay the bills (e.g. due to increases in gas/electricity tariffs) and just about managing financially (also known as cliff edge households); or
- Experiencing an immediate and unforeseen financial crisis, or;
- A household with Safeguarding needs (for professional referrals only, see 4. below)

3.2. The following characteristics are considered to be strong indications of financial vulnerability:

- Leaving care child up to the age of 25
- SEND child, particularly those with a care plan under EHCP
- Ex-Armed Forces
- Troubled Families
- Statutory homelessness
- Traveller communities

#### **4. Definition of safeguarding needs (risk to health and safety)**

This crisis will be the cause of a severe risk to the health and safety of the applicant or an immediate family member/dependant(s). Examples of when your health and safety might be at severe risk include:

- no access to essential needs (food, and heating);
- imminent deterioration/deterioration in health;
- domestic or sexual abuse;
- neglect and harm;
- breakdown of the family unit;
- exceptionally poor living conditions;
- onset of, or deterioration in the health of an immediate family member;
- risk of homelessness deemed to be unintentional;
- safeguarding including corporate parenting responsibilities (adult or child)
