

LEICESTER CITY COUNCIL
CEDAR ROAD AND MYRTLE ROAD ONE WAYS AND PAVEMENT PARKING

Statement of reasons

Under the Local Environmental Works programme, it is proposed to introduce and/or amend parking restrictions at various locations across the city, to be advertised as a batch to minimise advertisement costs. These minor changes to parking restrictions have been requested by ward members and the public.

The formal reasons for the proposals are for preserving or improving the amenities of the area through which the road runs

Officer dealing with this Robin Thomas –
