Dear Mark

Thank you for resubmission of the Domestic Homicide Review (DHR) report (Hanita) for Leicester CSP to the Home Office. The report was assessed by the Quality Assurance Panel (QA) on 11 December 2019.

The QA Panel noted that all issues raised in the Home Office letter following the first submission have been addressed. The view of the Home Office is that, on completion of a few minor changes, the DHR may be published.

**Minor changes include:**

- It would benefit the report for the Executive Summary to use the pseudonym for the perpetrator as this has been changed for the Overview Report but not for the Executive Summary.
- It would aide anonymity to take out the gender of the children.
- It would be useful to include cause of death from the post mortem.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published.

Please send the digital copy and weblink to [DHREnquiries@homeoffice.gov.uk](mailto:DHREnquiries@homeoffice.gov.uk). This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The Home Office felt it would be helpful to routinely sight Police and Crime Commissioners (PCCs) on DHRs in their local area. Due to this, the Home Office will copy this letter to your local PCC for information.

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues, for the considerable work that you have put into this review.

Yours sincerely

**Charlotte Buckley**

Joint Chair of the Home Office DHR Quality Assurance Panel
